**Tony Savastano / President's Report:** The President & Secretary positions are up for nominations. Bill Masciulli, Tom Putney, and Nancy Doyle were nominated for President. Colleen Montgomery, Michele Fisher, & Bob Marchiafava were nominated for Secretary. Colleen and Bob accepted their nominations, Michele was not present to accept her nomination. Michele Franco was nominated for Booster Club Coordinator and she accepted her nomination.

Tony was dismayed about the article in the Current written by Sonja Gross about the JV Cape May vs. PAL football playoff game. He asked what happened. Carolynn said the behavior was bad on both sides and she feeld we should not play PAL next season. Steve Martz felt that the situation needs to be addressed when Dominic Branca is present. There were 2 coaches thrown out of the game and the referees were just as bad. The Cheerleaders were not tactful either. Bill Warrell spoke to Hector about improving relations between the 2 teams. There was a suggestion to do something with EHTYO & PAL players together, maybe include PAL in our kick-off party.

**Open floor:** nothing.

**The Next Meeting will be held on Wednesday, December 5th, 2007 at 7:00pm.**
