A CMC Football player who has played 4 years in the league and 2 years in high school is eligible for the scholarship. Next year tom would like to put together an all star team for the CMC league. Elmo congratulated Tom on his team this year for getting into the Semi-Finals it was a great game.

Nina Mitchell/ CMC Cheerleading: Hammonton High school will reimburse the \$300.00 for canceling their competition. All 4 levels competed at Absegami High School. 3 of the levels got Honorable mention and Pee Wee took 2nd place. Nina expressed her disappointment with how both sides behaved themselves at the competition. There is rivalry between JV and Varsity on both sides. She explained that two varsity girls competed on the JV team and JV was deducted points for it. Nina said the people who

ran the competition were informed in advanced about the girls from different levels competing on other squads. It was brought to the judge's attention by coaches from Atlantic.

Brenda Coholan/AC Cheerleading: She has no knowledge of her coaches going to the judges this is all hear say. She told her coaches not to get involved. She feels like she was blamed for something she had no control over. All the trophies and sweatshirts have been ordered for the banquet. Nina will place the order for Cape's plaques. Lamar told her he will be at the banquets to set up the DVD player. Brenda informed the Board she is resigning from her position as coordinator and would like to nominate Denise Savastano.

Atlantic Football Coordiantor:

Regarding banquets we can not allow parents to give out separate gifts at the banquet it causes problems. We need a Board member at every banquet to speak on behalf of the organization.

We need to get an Audit committee together to audit the General account & Booster Club account.

He received an email regarding a Varsity Cape Cheerleading Captain Ashley MacNeil she is competing in the Miss NJ Outstanding Teen Pageant and needs a \$300.00 sponsorship from EHTYO. (**Board Approved**)

Open Floor: ~Dominic would like to get the weight lifting program for the kids in the off season and needs people to donate benches.

~ Sharon Mitchell would just like to clarify that the two girls from Varsity were on the roster that was turned into Absegami. The only team that complained was EHT Atlantic.

~ Shauna Melton is new to the organization and she left with two girls crying from the competition she feels coaches should not go to the girls they should come to the other coaches with complaints.

~ Amanda Johnson said she would like to defend the coach that is being accused here and she is a teacher and would not bring cheerleading practice into her classroom.

~Elmo feels coaches need to focus more on the children.

~Kathleen feels that the older level coaches need to set a better example for the children and not argue with each other. We do not have this kind of problem on the Taxi and Pee Wee level.

~Chasity Branca thanked everyone who helped her especially Dina Brown for getting the raffle prizes.
